POLICY FOR LOOKED AFTER CHILDREN (LAC) – JULY 2019

WHO ARE OUR LOOKED AFTER CHILDREN?

'Looked After' is a term that refers to children for whom the Local Authority is sharing parental responsibility.

This can happen either with parental agreement or when a Court makes a Care Order. The child may be living with foster carers, in a residential unit, with family members or sometimes with their parents. These children are therefore subject to corporate parenting.

This policy includes requirements set out in "Statutory guidance on the duty on local authorities to promote the educational achievement of children under section 52 of the Children Act 2004" and associated guidance on the education of Looked After Children (LAC).

RATIONALE

Many children and young people who are in care have suffered abuse or neglect. Despite having as broad a range of abilities as their peers, LAC are particularly vulnerable to underachievement. Nationally, LAC significantly underachieve and are at greater risk of exclusion compared with their peers. Their academic and social progress is likely to be affected by their experiences, and compounded by instability in their personal circumstances.

Ferndown First School recognises that Looked After Children may have very specific needs and may be coping with trauma, abuse or rejection, and are likely to experience personal distress and uncertainty. We believe that this school has a major part to play in ensuring that Looked After Children can be healthy, stay safe, enjoy, achieve, make a positive contribution to society and achieve economic wellbeing.

The governing body of Ferndown First School is committed to providing quality education for all its pupils, based on equality of access, opportunity and outcomes.
