5<sup>th</sup> March 2021

Dear Children

On Monday we are looking forward to welcoming you back to school.

It is important that your first week back to school is lots of fun and allows you to spend time with your friends and teachers. We know that you have missed seeing each other and that you have lots to share.

In the classroom, there will be activities that you can choose to complete with your friends. Some of these will be creative and you will be able to paint, draw and collage together. You will be able to choose from all the classroom areas that you love, such as role play, construction and small world.

We know that you are very excited to get stuck in to our topic about dinosaurs and we have lots of activities which will help you learn and explore in our new topic.

There will also be lots of time to play in our outside area and in the forest. Can you remember our rules in the forest?

Mrs Charters will be teaching music on Friday and Jamie will be leading some fun PE games with you on Tuesday.

Your teachers will hear you read and check if you have remembered the sounds that you have been learning. This will be done with an iPad.

We will also spend time reminding you of our school values, routines and expectations. This will help you feel safe and ready for learning.

Look forward to seeing you on Monday!

Mrs Cload, Mrs Barnes, Mrs Penfold, Mrs Smith and Mrs Dudley
