5th March 2021

Dear Children

On Monday, we are looking forward to welcoming you back to school. It is important that your first week back to school is lots of fun and allows you to spend time with your friends and teachers. We know that you have missed seeing each other and that you have lots to share.

In the classroom, there will be activities that you can choose to complete with your friends. Some of these will be creative and you will be able to paint, draw and collage together.

We know how much you like building models so we will put out Lego and construction toys for you to build with. There will be opportunities to spend time outside playing on the scooters and in the role play house as well as planting seeds!

Mr Hunt is looking forward to leading some exciting team building games with you outside on Monday. Mrs Charters will be teaching music on Thursday and Jamie will be leading some fun PE games.

On Friday, we are looking forward to watching an exciting show in the hall. It's called *The Wizard of Oz!*

We can't wait to hear you read. Please bring your book bag in on Monday so that we can give you a new reading book. If you have any reading books at home make sure you bring them back to school. Using an iPad, we will check if you have remembered the sounds that you have been learning.

Throughout the week we will spend time reminding you of our school values, routines and expectations. This will help you feel safe and ready for learning.

Look forward to seeing you on Monday!

Mr Watts, Mrs King and Mr Hunt
