5th March 2021

Dear Children

On Monday, we are really looking forward to welcoming you back to school! It is important that your first week back to school is lots of fun and allows you to spend time with your friends, teachers and teaching assistants. We know that you have missed seeing everyone and that you have lots to tell each other and lots to share.

We will spend each afternoon doing some creative art activities including colour mixing with paints, exploring pastels and drawing as a team.

We are keeping our fingers crossed that the weather is good so that we can play some team games on the playground and also go outside to make bird feeders to hang in the trees. We will also be doing some creative writing activities and some fun word and number games.

Mrs Charters will be teaching music and Callum will be leading some fun PE games on Wednesday, as normal.

On Friday, we are looking forward to watching an exciting show in the hall. It's called *The Wizard of Oz!*

We are looking forward to hearing you read. Please bring your book bag in on Monday so that we can give you a new reading book. If you have any reading books at home make sure you bring them back to school.

We will also spend time reminding you of our school values, routines and expectations. This will help you feel safe and ready for learning.

Look forward to seeing you on Monday!

Mrs Errington, Mrs Hurst, Miss James, Mrs Lord and Mrs Wallace
